

Dear Casa dei Bambini Families:

The days are getting warmer and we would like to make sure that all children are comfortable and safe while attending C. dei B.

Some of these guidelines are included in your Parents Handbook; forgive us if it sounds repetitive.

- A) If you would like us to apply sun protection on your child, please complete and return the release at the bottom of this page. Make sure that the CONTAINER or TUBE is clearly marked with your child's name. (UNUSED)
- B) No flip-flops or slip-Ons.
- C) If you would like for your child to wear sandals, make sure that they have ankle support. When sandals are too open, young children can spend a great deal of their "fun" time outside, shaking off sand and playground bark, instead of playing and socializing. (SUMMER ONLY)
- D) If you send hats/caps, make sure they are clearly marked; also explain to your children the importance of wearing it. We ask that you keep this item at School.
- E) We encourage the children to drink plenty of water, and during warmer days more so. Please support our efforts by talking to the children about the importance of this very healthy habit.
- F) Make sure that your child has an appropriate set of clothes to change into at School. During the next few weeks temperatures may be unpredictable especially early in the morning.

*Child's Name :* \_\_\_\_\_

*Name of Sun block:* \_\_\_\_\_

*By signing this form I authorize Casa dei Bambini School to apply on my child the product that I have provided.*
